Sanitary District Set for Hearing on Sewer Installation

A Cental Contra Costa Sanitary District hearing was to be held Thursday night to hear any protests on starting sewer installation in Local Improvement District No. 12 which includes Hacienda del Orinda Units 1 and part of 2, Orinda Village and Orinda School.

If no protests are filed, the date will be set for receiving bids. Bids for construction of sewers in local improvement district No. 10 covering the northwest section of Orinda were scheduled to be opened at this meeting.

An important feature of the meeting will be the hearing on assessments of District No. 2, Sun Valley Area. This is the first of the collection sewer systems to advance to the point of levying assessments, and much interest has been expressed by residents of the areas where sewer lines are now being installed.

Laney Elected Parents' Prexy

Election of officers for the coming year was held by Acalanes Parents' Club at the school Monday night.

Officers elected are: president, R. H. Laney, Orinda; vice president, Mrs. T. E. Carroll, Moraga; treasurer, Mrs. John Spellacy, Walnut Creek; recording secretary, Kenneth Courtwright, Orinda; corresponding secretary, Mrs. Edward Larmer, Lafayette; auditor, Mrs. Jack Jansse, Orinda; parliamentarian, Mrs. Ernest Kittredge, Lafayette.

The officers will be installed at the May meeting, with the remaining chairs to be filled in the fall by appointment of the president.

Orindans Help Clinic Patients

Mrs. Ida Zamloch, Mrs. Walter Nicklas and other women volunteers of Orinda have been making weekly visits to the Rheumatic Heart Clinic in the Permanente Hospital in Richmond.

The ladies give their personal service and bring gifts and cheer to the patients, ranging from infants to sixteen year olds. Patients are confined to their beds or wheel chairs yet they are a cheerful lot.

This clinic is understaffed, it is reported, because federal funds for it are about exhausted and there is no state aid at present. A patio where the children are taken for fresh air is still incomplete because of lack of funds.

Lafayette-Orinda Scouts to Play

The baseball team of Lafayette Scout Troop 204 will play the Orinda troop nine at Orinda Grammar school at 6 p.m. Friday. Another game is scheduled for 1 p.m. Saturday when Troop 204 team members will meet Walnut Creek's Troop 201 on the Lafayette school grounds.

The Lafayette scouts have two of their team members laid up; Jack Luedemann, a pitcher, a recent tonsilectomy case, and Eddie Hunt, outfield man, who has a hand injury. As yet it is not known if either boy will be able to play on these dates.

Seaver Ballard and Kirk Miles Are Candidates for School Board Posts

The April 20 deadline for filing found two more names added to the list of candidates for the two Orinda Grammar School Board of Trustee posts. Kirk Miles and Seaver A. Ballard joined the other five running for the two trustee-ships up for election May 20.

Miles is assistant personnel director for Shell Development at Emeryville. He has been a resident of Orinda since 1941, and makes his home at 1 La Plaza. The two sons of the family, Tom, 7, and Dick, 6, are students at Orinda Union School.

PAST PRESIDENTS
The family is active in Community Church affairs. Mr. and Mrs. Miles are past presidents of the Clipper Club, young couple's group.

Seaver A. Ballard is employed as head of the Organic Syntheses

ONE OF THE MOST BEAUTIFUL GARDENS in the entire Bay Area will be the setting for the Orinda Hobby Show this Friday and Saturday. Orinda Hobby Show to Display Craftsmanship of 50 Entrants

Fifty entrants with hundreds of articles of craftsmanship and collection items will make the benefit Hobby Show exhibit this Friday and Saturday a momentous one for the sponsoring Orinda Mothers Club.

The Nathan Gray residence, 2 Spring Court, is the locale for the Show, with the rumpus room, two patios and sections of the beautiful gardens devoted to the display. The exhibit may be viewed from 2 to 5 p.m. on Friday and from 2 to 6 p.m. on Saturday.

RESPONSE GOOD

Enthusiastic response of hobbyists has brought to light a great number of accomplished people in the area. Antique and modern collections of numerous kinds will be on display, as well as exquisite examples of handicraft of all types. Exhibits entered will include weaving, wood carving, leather work, painting, metal craft, knitting, crocheting, ceramics, photography and dozens of other interesting hobbies.

The Grays' beautiful gardens, an exhibit in themselves, will form a background for the many artistic displays.

POSTERS PROVIDED

Posters made by Orinda School children to assist in advertising the Hobby Show will be on display.

The Hobby Show was planned by Orinda Grammar School Mothers Club for the benefit of the local schools, both Orinda and the new Glorietta School. Proceeds will purchase needed playground equipment as well as musical instruments and other necessities.

REFRESHMENTS

Refreshments will be served during the afternoon by girls of the 7th and 8th grades, under supervision of Mrs. Richard Dunnigan and Mrs. J. C. Pyle.

Active on the committee of

mothers working for the success of this project are Mesdames Mary Gray, Roger Stark, E. W. Druhe, Doris Clifford and Agnes Oliphant.

Sprouse - Reitz Opens Its Doors

Sprouse-Reitz Company opens its new and ultra-modern store at 9 o'clock this morning with an extensive line of household-convenience items.

The large stock will cover merchandise selling in the 5 and 10 cent classification, as well as an extensive line of higher priced merchandise, according to manager Homer Martin.

AT THE RIGHT TIME

Leisurely shopping in a modern setting will be facilitated by the competent sales people who have been trained to give the "right amount of service at the right time," Martin said.

Today and tomorrow have been set aside as special visiting days, with favors and treats for the youngsters. Jo-Jo, the Clown and Betty Ann, except for a brief appearance at Teatro Para Ninos, will appear at the store Saturday from 10 till 5, for the enjoyment of the younger set.

JUSTLY PROUD

Stanley Allen, long-time Orinda resident and district manager for Sprouse-Reitz, is justly proud of the new establishment. Natural birch used in the counters is blended with a pink-toned wood to form a pleasing background for the wide aisles and attractive fixtures. A conveyor belt, utilized for quick delivery of basement stock to the sales floor, will facilitate service.

Fire Department Requires Permits

With the advent of Spring and the usual urge to clean up trash that has accumulated around house and yard through the winter, the Orinda Fire Department is reminding Orindans of the necessity for a fire permit before any burning of refuse may be done.

As it is not always possible for a permit to be given immediately upon request, the Department urges you to call the Fire House at least two days before you decide to burn trash.

Business Association Gets New Members

Orinda Better Business Association will hold its regular monthly meeting at Casa Orinda, 7:30 p.m. Monday.

Two new members will be welcomed to the Association, Orinda Roost and the Sprouse-Reitz store. Further reports and suggestions on the local parking problems, and plans for putting out a new business directory are also on the agenda.

Red Cross Drive Goes 'Over Top'

Mrs. Robert Bennett reports that the final sectors completed in their Red Cross Drive are:

Sector 26, captained by Mrs. Wm. Brailsford Jr., assisted by the workers, Mrs. Ray Malone, Mrs. Frank Silva, Mrs. Roy Nason, Mrs. Boyd Edelin, and Mrs. W. K. Ellermeier, contributed \$172.40. A portion of Sector 13, captained by Mrs. Betty Broderick and worker Mrs. B. O. Wilson, contributed \$60.50. Mrs. Leighton de Maeyer, working alone in Sector 23, collected \$90.

Sector 5, Mrs. Art Beckett captain, aided by Mrs. Aubrey Sweet and Mrs. Campbell Judge, contributed \$217. Mrs. Roger Stark, captain, and her workers, Janet Rupley, Margaret Gathings and Mrs. H. Watts Pillsbury, collected from Sector 8 \$217.

The great American Red Cross Drive of 1949 ends with the residential section alone of Orinda going well over the top with a total amount subscribed of \$4,486.25.

Mills Alumnae Club to Meet

Orinda Mills Club will hold its third monthly meeting on Monday from 8 to 10 p.m. at the home of Mrs. Kirk Miles, La Plaza.

All Mills alumnae of the Orinda area who have not been previously contacted are cordially invited to attend the Monday meeting, it was announced.

The group held its last meeting at the home of Mrs. T. R. Cooper, of Charles Hill Circle. Those present were Mesdames Stuart Henderson, Robert Bigler, Ben Randall, H. C. Gathings, T. R. Cooper, Russel Gilwee, Chris Klitgaard and W. J. Cunningham.

Monte Vista Club Elects Officers

Monte Vista Improvement Association of Charles Hill met at the home of Robert Raskob Tuesday evening. Election of officers for the new year was a part of the evening program. Dr. Clifford Johnson was named president; Douglas Knight, vice president; Anne Hazen, secretary and Robert Raskob, treasurer.

Complaints About Streets Answered

"Sewers are more important than streets," in the opinion of County Health Officer Dr. W. A. Powell.

Board of Supervisors, in pointing out complaints from all over the Central Contra Costa Sanitary District, heard this statement that installation of sewers is more important than any inconvenience caused to residents and motorists in the improvement districts.

Dr. Powell pointed out the growth of the area, from 17,000 in 1946 to 41,000 now, and asserted the "failure of individual sewage disposal systems has become alarming in its scope."

Sheriff Long Promises Orinda Every Consideration

No Criminal Action In Dog Shooting, Sheriff Reports

The recent shooting of three dogs belonging to the Pond and Dailey families in Happy Valley Road has been investigated by the sheriff's department and "no criminal action" is indicated, Inspector Norman Wilson, in charge of the investigation, told the Sun today.

Referring to the report of Deputies Hinckley and Gallamore, Inspector Wilson said that A. Ginocchio, Happy Valley rancher who shot the three dogs, acted in "protection of his stock, which the law permits."

Deputy District Attorney Hemming stated that according to the official report of the affair, Ginocchio saw the dogs molesting his cattle, drove home and got a rifle, and then returned to shoot the dogs. At least one of the dogs, according to the reporting officers, was then shot on property not owned by Ginocchio.

"Criminal action is not indicated," Henning said, "and any civil action must come from the parties involved."

The seriousness of the situation was discussed at length with Inspector Wilson who discussed the problem with the Sun editors Thursday.

Church Expansion Program to Begin

Orindans will have the opportunity on May 15 to "vote" on the question, "Shall the Community Church complete its facilities for education and community service?" The "ballots," according to John McFarland, Chairman of the church diocese, are to be pledge cards toward the goal of \$45,000 required for the projected expansion.

Other churches, organized nationally, have agreed to supplement this amount, if it is achieved locally, with \$25,000 in loan and grant to insure construction of the third building on the church site. Pledges will be sought, McFarland stated, on a 30-months basis covering three tax years. More than 100 citizens are to assist in the forthcoming campaign, which will open with a special "Surprise" Service May 8.

Rev. Parker to Leave for East

The Rev. Pierson Parker, Th. D., of Berkeley will administer the Sacrament at the early Communion Service to be held at 8 o'clock Sunday morning in the Orinda Community Church. This is to be Dr. Parker's last Service in Orinda before his removal to New York where he will serve on the faculty of the General Theology Seminary.

For the past six years Rev. Parker has served as Professor of Biblical Literature in the Church Divinity School of the Pacific, and has been assigned to Orinda in an arrangement entered into by the Orinda Church with the Episcopal Diocese of California. His services have been greatly appreciated by Orinda Episcopalians.

Pre Dawn Schedule for 'Best Buy' Announcer

Mary Dorr made broadcasts three times a day at the Spring Flower Show for McDonnell's Nursery, Trader Scott, and for the James Nursery. During April and May she has also been broadcasting in San Francisco for the vacation period of the "Best Buy" radio announcer.

Mary leaves Orinda when most Orindans are still "in the arms of Morpheus" to visit the wholesale markets and literally see what the best buys are.

HORSE SHOW

Joan and Cora Prifold, daughters of Mr. and Mrs. George Prifold, are both riding in the horse show at Concord on Saturday.

Orinda Association directors were addressed by Sheriff James Long and Inspector Norman Wilson at the Monday night meeting at Orinda Fire House. In line with past Association investigation into the possibility of getting better police protection in this area, Sheriff Long explained procedure at his office and how it functions.

Growth of the whole area covered by the Contra Costa police system has worked a hardship on the office, but Sheriff Long promised "every consideration" to the request for further protection.

With the County agreeing to furnish signs on county roads in Orinda, members are gathering data on ones most necessary at present.

Report of the committee survey of transportation facilities furnished by Greyhound Bus Company revealed many Orindans are left waiting because of overcrowded buses, or find standing room only. Further action by the Association awaits final reports on similar surveys and steps being taken in Walnut Creek, Lafayette and other affected communities.

Orinda Hardware Opens New Store

Orinda Hardware opens its new store at Orinda Crossroads this morning.

Long a favorite spot for Orindans at its original location in the Village, the store has been popular because of the variety of its stock. The regular Sunday morning hours of 9 to 12 will still be observed, it was announced by Frank Olsen, proprietor.

OPENING SPECIALS

An extensive line of house, garden and home workshop supplies is available on the well-stocked shelves. Opening specials offer a variety of values, with free 1/2 pint cans of Boysen enamel distributed to early visitors.

A Shopsmith power tool will be given away Saturday afternoon, April 30, at 5 p.m., through use of coupons published in the Contra Costa Shopping News and Orinda SUN.

City Carrier Position Open

The Orinda Post Office announces an opening June 1 for a substitute city carrier position. Preference will be given to veterans applying and to Orinda residents.

This is a permanent position and it will be necessary at a later date to take a civil service examination in order to become a classified employee with sick leave, annual leave and retirement benefits. A car in good operating condition will be required for which compensation at an hourly rate is allowed.

The pay schedule for the city carrier position is \$1.29 per hour. Forty hours a week will be guaranteed. Anyone interested will contact the postmaster for further information.

Open Well Hazard Investigated

No further reports on dangerous wells in the vicinity of Orinda have been reported, according to Fire Chief Everett Wyatt.

Civic Affairs Committee of the Orinda Association recently discussed reports received on the presence of open wells that were a hazard to the children of the community. Chairman Bonds at that time requested any resident of Orinda knowing of such dangerous spots in the vicinity to report the facts to the Orinda Fire Department.

Action to remedy such potential hazards will be taken by the Committee upon receiving the facts through the Fire House.

Oak Springs Association Will Meet Tuesday

Oak Springs Homeowners Association will hold their regular monthly meeting at the home of Mr. and Mrs. Carl Miller on Brookwood Road on Tuesday evening. Members will gather at the Oak Springs swimming pool and enjoy a pot luck supper before the meeting at which plans will be made for opening of the pool.

Financing Our Schools

By JOSEPH SHEAFF

Superintendent of Orinda Scholo District

During this week, April 25 - 30, schools in the nation are observing Public Schools Week. Each school district is emphasizing the program and function of Public Schools in America.

The existing educational program in our schools is of utmost concern to the public, and it is their duty and privilege to insist on high standards and become thoroughly acquainted with curricular offerings, financial policies and other details of local districts.

California is now confronted with the financing of Public Education. Support of the schools, from both a state and national standpoint, is of vital concern to each community. Local districts are drastically overcrowded and have reached the saturation point as far as financing is concerned.

Every parent should become actively interested in seeing that adequate support from the state and nation is forthcoming. Legislative bills now before State and Federal lawmaking bodies deserve careful study by the public. It is of vital concern that financing of education becomes the first consideration in the budgets of government.

Education is the bulwark of our democratic principles, and an investment in the future of our country. It is to the interest of the entire nation to see that every citizen has a good well rounded education.

Public Schools Week offers the opportunity for you to see your schools in action and to think more seriously concerning the welfare of the future citizens of America.

Captain Sandford Sez:

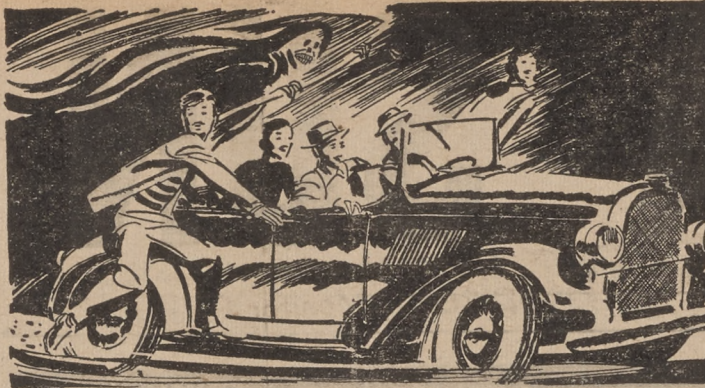

This is not about red noses, which some people say are caused by dyspepsia. Another school of thought tends toward the theory that red noses are caused by unsuccessful shadow-boxing with John Barleycorn.

However, this is not about red noses. It's really about green thumbs. That's one thing that I sure have not got; for if I plant anything, unless I sit up nights with it and tend it carefully practically night and day, it just naturally folds up and dies. But I do know several lucky people that really have the GREEN THUMB. Anything they plant anywhere, anytime just naturally blooms and blossoms and grows. The lucky stuff!

So this Spring again I am digging and shovelling and planting and watering and hobbling to my chair, with aching back, knowing full well what will happen. The stuff will be no darn good. And if, by any chance, anything should be good, the blasted snails, gophers, cut worms and aphids will just eat it up. Some folks say that garden exercise is good for a buddy. I prefer my horizontal bar or my horse, or chasing . . . hey Cap. Be your age.

Quotation from newspaper item: "California State Highway engineer backs his car over the cliff near Half Moon Bay." So you see what happens to real highway experts. Nuts, I sez. That's one thing he just could not do on this highway on a busy day, because long before he got his car squared away to back up, he would be bashed to smithereens.

This area is very beautiful these days. Driving in Happy Valley and on Los Arabis Drive and at the corner of Thompson Road we can see beautiful displays of wisteria, truly enchanting. We have so much to be thankful for, sez I. Good-bye now.

ARE THESE YOUR CHILDREN?

If you value the life of your teen age children, don't let them ride or drive around in a jalopy. First, because it is dangerous for them and second, because it is a menace to other drivers and pedestrians.

Be Careful—the life you save may be your own!

Report from Sacramento

By ASSEMBLYMAN
ROBERT L. CONDON

The Easter week brought scores of school children, teachers, sight-seers, and amateur lobbyists to the halls of the Legislature. The five-day holiday might have been fun for them, but there was nothing on last week's crowded legislative calendar that made it fun for the Legislators. The hot issues meant frayed legislative tempers and more acrimonious debate.

EDUCATION: School teachers can feel a little more secure as a result of the approval by the Assembly Committee on Education of A.B. 956. This measure, if passed by both houses and approved by the Governor, makes several improvements in the teachers' retirement system. It lowers the retirement age from 63 to 60 and provides for death benefits for those who die before retiring. In addition, it liberalizes retirement payments at an increased cost to the State of \$5,000,000. Observers expect it to become law without material change.

AGRICULTURE: The Senate has given a do-pass recommendation by its Agriculture Committee on a measure which would force distributors to pay Grade A prices for skim milk which is used in Grade A products. The bill would provide for three classes of milk (market or drinking milk, higher grade products, and butter). In addition, producers shall be paid for their milk on the basis of its highest priced use.

SOCIAL WELFARE: The Assembly Social Welfare Committee approved two measures that will face tough sledding on the floor. One would remove the assistance program for the partially self-supporting blind from the counties and place it under the State. The State Department of Social Welfare now administers aid for the needy blind and this bill would make the administration of the blind programs uniform by including partially self-supporting blind. The other bill, by Assemblyman Joe Lewis, activating the Relief Act of 1945, would appropriate an

additional \$13,000,000 for direct relief, establish minimum relief standards under State direction, and provide State instead of county funds. Many counties, including Contra Costa which recently cut relief budgets 25 percent, are finding the burden of supporting the unemployed too great. The County Boards of Supervisors welcome the grant of State funds, but oppose State standards and control.

CHILD CARE: The Senate adopted a rule that all measures carrying an implied appropriation must be referred to the Senate Finance Committee. Thus, the Child Care bill, which has been approved by the Senate Education Committee, will be re-examined by the Finance unit. Observers predict the program will be "watered-down" here and the centers extended for one, instead of two years.

MISCELLANY: The Assembly approved a bill forbidding persons under the age of 21 years from performing a marriage ceremony. The bill will prevent recurrence of the situation in Southern California where a couple was married by a 5-year old child.

The Assembly defeated a measure increasing unemployment insurance payments for those with dependent spouses and children. The Lower House Industrial Relations Committee recommended the adoption of a State minimum wage of \$1.00.

Equal pay for equal work by women has been endorsed by the Assembly . . . S.B. 1033, the measure to establish residence rehabilitation centers for children crippled and handicapped by cerebral palsy, was given the green light by the Senate Education Committee . . . Two measures striking a blow at racial discrimination were favorably passed over to the Senate by the Assembly. One, by Assemblyman Rumford, forbids segregation in the National Guard because of race, creed or color. This was given a unanimous vote of approval; while the other, which forbids the practice of discrimination by automobile insurance companies, received only two dissenting votes.

County Aid Reaches All-Time High; 90 Per Cent Goes to Richmond Area

Board of Supervisors took steps yesterday toward reducing general assistance costs in Contra Costa County when a letter suggesting two definite measures for reduction was sent to Richmond Housing Authority.

"More than 90% of March's all-time high of \$112,800 in general assistance was spent in the Richmond area, according to the letter Supervisor Buchanan, board chairman, sent to the Housing Authority. The letter urged that

"proof of at least one year's residence in the county be established before being eligible for occupancy of Richmond facilities."

"Except for veterans for whom preferred status may be required by the federal agency, proof of one year's residence" in the county be required for eligibility, the letter said. "Gradual but material dismantlement of facilities under jurisdiction of the Richmond Housing Authority" is also sought by the supervisors.

Ending on a "go home" theme, the letter concluded, "When it must have seemed apparent that there was no further use for this large labor pool, the best interests of many thousands of these workers would have been served if they had not been encouraged, through the continued availability of low cost public housing, to remain in this state and county."

Realtors Picnic On Mt. Diablo

Under the able guidance of Rudy Carriger, the second quarter of the Realtor's Mart of the Contra Costa Real Estate Board is well under way. Instead of having a speaker for Monday morning's breakfast meeting, a general review was held of the various properties by the listing offices, in an effort to further the service to the property owners.

After the regular Mart tour in the morning, the "Martors" and their wives and friends journeyed to the top of Mount Diablo for an outing. Delicious food was prepared and served by the "Chuckwagon," which went up in advance to the picnic site selected. The committee, consisting of Mabel Jones, Ann Ellerd and Ellen Hill under the chairmanship of Bud Carey, put on a skit "The Devil Mountain Follies," in which many "Martors" took part. Music was furnished by Realtor Bill Reed and his guitar and accordionist Lusiani. About 100 attended, and for many it was their first trip to the top of Diablo to witness the breathtaking view.

Lovely prizes were donated by Lafayette Food Center, Jory's Flower Shop, Lafayette Valley Pharmacy, Market Basket, Lafayette Dime & Dollar, Jim Shierry, Alsams and Lee's Drive-Inn.

The affair was also a farewell party for Stu Leeman who is leaving the real estate ranks, and will be missed by his many friends in that profession.

Open House Held At High School

Public Schools Week was opened at Acalanes High School with a special program presented at an open-house Monday evening, and with tours of parents and visitors to the various departmental exhibits and demonstrations of school work.

The regular Acalanes Parents' Club meeting that evening was open to all interested non-members as the organization's part in the community welcome. Musical and dance numbers on the short program presented by the students were followed by a welcome and brief remarks from Neil M. Parsons, district superintendent.

Following an inspection of the many featured displays which included those of the home economic classes, hobby crafts, commercial departments and a special driver education demonstration, faculty members, visitors and students were served refreshments as guests of the Parents' Club.

Macomber, Klauder Take Firsts In Two Local Essay Contests

Winners of the Americanism contest of the American Legion Auxiliary, were announced last week, according to Mrs. Dorothy Buchanan, Americanism chairman of the Lafayette Auxiliary.

Combining their prizes, awards were made to the Acalanes High School students by the Lafayette Legion Auxiliary 517 and the Walnut Creek Auxiliary 115. Mrs.

Freda Stephens is the Americanism chairman of the Walnut Creek Unit.

Subject for the High School students was "Our Privileges and Responsibilities as Future Citizens" with the following awards and winners: First Prize, \$20, to Nancy Macomber, Miner Road, Orinda; Second prize, \$10, to Mavis Bahls, Stuart Street, Lafayette.

Judges for the High School Essays were Elizabeth O'Meara, Mrs. Donn Court and William Freeman.

In the second of the concurrent contests, that of the Veterans of Foreign Wars, Acalanes seniors here also made a clean sweep of prizes in the local first round.

Following first winner John Klauder came Shirley Rees, Bliss Green, and Virginia Findlay and Barbara Lusebrink as honorable mentions. Written on the contest topic, "My Part in America's Future," Klauder's essay will now vie for national recognition.

Formal presentation of VFW auxiliary awards was made to the three prize winners at the organization's installation at the Veterans' building in Walnut Creek Tuesday evening.

The Lafayette Grammar School Americanism Essay Contest was sponsored by the Lafayette American Legion Auxiliary.

Subject for the 7th, 8th and 9th Grades Contest was the same as the High School subject with the following awards and winners: First prize, \$5, Edward Neighbor, first prize winner in recent Poster contest; Second prize, \$3, Allen Stewart.

Subject for the 4th, 5th and 6th Grades was "Our American Way of Life" with the following awards and winners: First prize, \$3, Ellen Hansen; Second prize, \$1, Robin Mathewson.

Judges for the Grammar School contest were Mrs. Donn Court, Mrs. Fred Gates and William Freeman.

Essays of all the first prize winners have been entered in the District contest and District winners will be sent to a Department contest to compete for the \$1000 award, to be announced in June.

Dr. Gerow to Study Surgical Techniques

Dr. E. C. Gerow of Happy Valley, accompanied by Dr. Howard Huenergardt of Berkeley, will fly to Chicago on Sunday. There, the two doctors will take an intensive two weeks course in the latest surgical technique at the Cook County Post Graduate School, which is an extension of North Western University Medical School.

Following completion of the

Chamber to Hold Directors' Meeting

Lafayette Chamber of Commerce will hold its regular directors meeting Monday noon at Tunnel Inn. Anyone interested is invited to attend.

course, Dr. Gerow and Dr. Huenergardt will fly to New York City where they expect to visit some of the more important clinics before their return to the Bay Area the first week of June.

Choral Gives Excellent Performance

BY JANE HIGH

Sunday evening the Lafayette Forum Choral under the able direction of Bruce Handley gave a fine account of themselves on the beautifully decorated stage of the Lafayette Grammar School. The program was made even more enjoyable by two numbers skillfully executed by Oscar Busch and his string quartet. Accompanist was Mrs. Carbon Weber.

The unanimous opinion of the audience of nearly 200 was expressed in the words of Bishop George Miller, who said after the program, "Lafayette should have more of this type of activity."

Following the four numbers which headed the program by the choral group, two lovely duets were offered by Winifred Wilson, soprano, and Harold Martin, tenor, who were called back for an encore and complied with a number from Maytime.

An outstanding rendition of "One Fine Day" from Madame Butterfly was given by Margaret Price, and enthusiastically received by the audience. This number was followed by the string quartet, playing Andante cantabile by Tchaikowsky.

In the last four numbers, the choral reached the climax in the evening's performance, the audience requesting a repetition of the lively "Song of the Vikings" by Fanning, which was done with spirit and forcefulness.

Refreshments were served fol-

lowing the concert under the supervision of Mrs. Keith Hoover. Hostesses were Mrs. Donn Court and Mrs. Pearl McCoy who presided at two tables beautifully decorated by Mrs. Naomi Dahlberg.

Mrs. Anita Fletcher and Ralph Browne were responsible for the unusually lovely fern and floral decorations.

Sorority Will Entertain Seniors

How your HOME FREEZER

PROVIDES BETTER MEALS
AT LOWER COST

Thousands of California homemakers are serving meals of more variety and better quality—all at a substantial saving through the thrifty use of their Home Freezers. And here is how you can do it, too.

More Variety You can freeze almost any kind of meat, fish, poultry, fruit and vegetables. Thus Spring Lamb and summer fruits and berries can vary the winter menus.

Better Quality You can buy fresh foods at their peak-of-season flavor and quality, and you preserve them at their best by quick freezing. More of vitamins, so necessary for good health, are retained.

More Convenience It is like having a market in your own home when you have a well-stocked Home Freezer. And how convenient that is! Here are foods for box lunch meals, from sandwiches to dessert, all ready to pack in a hurry. Or complete meals, cooked, ready for heating and eating including many kinds of baked foods. And there are party foods for special occasions or for unexpected company.

Greater Savings Buying in a larger quantity at low prices saves money. Leftovers frozen for later use eliminates waste and adds to meal variety. Many users say their home freezers have paid for themselves these three ways—through quantity bargain buying, elimination of food waste and fewer shopping trips.

Preparing food for home freezing is not difficult to do. Detailed instructions come with the Home Freezer you buy. Ask your electric dealer about a Home Freezer of adequate size to fit the needs of your family.

Camp Site Open To Cal Alumni

A Lafayette and Orinda alumni family of the University of California is planning a "family style" vacation at one of the two summer camps being operated by the California Alumni Association at Pinecrest and Lake Shasta.

The first camps of their type in the country, the "Lairs of the Golden Bear" feature tent accommodations, community dining halls, swimming, fishing, hiking, games and nightly campfires addressed by leading professors and coaches from the University. The Pinecrest camp is 30 miles east of Sonoma and the Shasta lair is 22 miles north of Redding near Lake Shasta.

The local alumnus planning to attend Pinecrest this year is George B. Brown, Rt. 1, Box 248A Lafayette.

Reserve Officers Begin Active Duty Training

2nd Lt. Ralph M. Kegan of Lafayette was among twenty-five officers of the 1st Airways & Air Communications Service Reserve Wing who reported for active duty training at Hamilton Field. Under mobilization assignment to the 1801st AACSG Group at this base, they are trained so that they may immediately join that organization in event of an emergency.

This training is a part of the new Reserve Program whereby a strong national defense organization is being built up. Although at present only officers are actively assigned, a program will soon be initiated whereby enlisted men will also participate.

Swimmers Meet At Acalanes

It will be Martinez's Alhambra High School swimmers who meet the Acalanes Dons in the latter's pool Wednesday at 3:30 p.m.

Wednesday the Dons had a dual meet with Diablo High School in the Don waters.

A week earlier, the Dons went to Tamalpais High School, where the A's were beaten by a score of 56 to 10. However, the B's won by a score of 27 to 21. The B's swimming team were until yesterday, at least, undefeated; and they have great hopes of taking

the championship in the B division.

Marshall Freeman was back, after being out of commission with a bad knee again, to swim in the Diablo meet last Wednesday.

'TOUGH GUY' McLAGLEN

Veteran screen actor Victor McLaglen and his wife spent the week recently in Walnut Creek visiting with Mrs. McLaglen's daughter and family, the Marshall Pumphreys.

Acalanes Track Team Faces Test

In their last test before the county meet, the Acalanes Don thinclads were scheduled to be paced by the El Cerrito Gauchos on the Don track Thursday at 3 p.m.

The county meet will be held at Mt. Diablo High School next Friday at 1:30 p.m.

Last Friday the Don A squad lost to Diablo 38½ to 44½. The B's also lost 66 to 38.

Saturday some of the Dons participated as members of an all-star high school team which took on the Cal Frosh on the Berkeley campus. Acalanes point winners were Bruce Harding with a first in the discus, Bob Ferro, fourth in the 880-yard run, Walt Cianfichi and John Neighbor each tied for a fourth in the pole vault and high jump respectively.

Buy At Lafayette Furniture and Help Me Feed My 5 Kids

Of course, there are a lot of reasons why you should shop here anyway. Our prices ARE lower than the city — we have a good selection — good service — credit terms, etc. But 5 kids that average 8 eggs for breakfast is a very good reason. Then there are about 10 glasses of milk and about 2 loaves of bread — toasted. In fact, I'll bet Sally could eat 6 eggs herself, but she gets plump

around the middle after a few days of that so we have to cut her down to 2.

Anyhow — just think how much of this stuff we have to sell each month, and especially at our prices, to keep my tribe. I'm sure you'll find something of interest down further.

We will . . .

have, before long, one of Northern California's finest displays of maple furniture and decorative pieces. Our whole floor will be devoted only to Maple, Early American, Provincial, and associated lines such as lamps, copper and brassware, carpets, pictures, etc. Even now we have a very large stock of Maple pieces, a beautiful selection of Colonial lamps and a collection of 400 North American wild flower pictures in folio — that we can frame especially for you. Our prices will remain up to 20% less than the city (except on factory set prices.)

BUY WHERE YOU SAVE AT

We won't . . .

be carrying any more Modern in order to give you the finest in Maple. So-o-o- we're closing out all Modern furniture at a SAVINGS YOU CAN'T AFFORD TO MISS — ALL MODERN goes — bedroom, Jr. dining room, lamps, chairs, pictures, headboards.

BUY NOW AND SAVE AT

We have . . .

an awful lot of stuff in here that people don't know about. Every day or so someone comes in and says, "Oh, I didn't know you sold this or that." Then I say, "Oh, yes." So here it is: we have O'Keefe & Merritt ranges, Philco refrigerators and radios, Spring Air mattresses, chrome dinettes, pillows, pictures, lamps, all kinds of tables, chairs, bedroom and diningroom sets, drapes, upholstered sofas - divans, kitchen stools, some Milk Glass, fireplace sets, mirrors, traverse rods, pottery dishes, redwood barbecue sets, card tables, Presto cookers.

We haven't . . .

seen anyone offer the values in carpet that we have offered to the East Bay. Frieze — at \$2.50 a yard less than the city, 2000 yards of it in grey, rose, beige, and green — in 9, 12, and 15 foot widths. Grey sculptured in 9 and 12 foot widths, regularly \$11.95 for \$9.45. Axminster as low as \$3.95 a yard, which is 70 cents lower than any price we've seen. A \$30,000 stock of carpets and rugs — all at a saving.

HINT For that tired feeling, relax in a warm bath. It's fine for sore muscles, nervousness, insomnia and fatigue.

Hot water for a bath costs less than one cent with a proper sized automatic gas water heater.

FACT Coast Counties Gas and Electric Company

ANNOUNCEMENT of GRAND OPENING

and Statement of Policy and Operation

At nine o'clock Friday morning we are opening our new Orinda store. We are proud to be associated with the splendid merchants that have been serving you in other lines and hope that the addition of our type of store will make it possible for you to do a greater portion of your shopping in Orinda.

What Sort of Merchandise Will This New Store Carry?

The classification of 5 and 10 cent store is something of a mis-nomer as most stores of this type now carry higher priced merchandise. Our Orinda store will be no exception IN THIS REGARD, and while our main emphasis will be on merchandise selling for less than 25c, there will be items considerably higher priced offered for sale. We have tried to select the items most commonly needed for your every day living convenience — in short, a selection of those "1001 little things."

You can, for instance, depend on our store to supply most of your needs in notions and sewing items, and look to us with equal confidence if you are looking for your favorite brand of advertised cosmetics in the small size or larger packages.

Gifts, stationery, toys and household items comprise an important part of our line, and we are sure you will be pleased with our large selection of quality candies.

Type of Service

Past experience indicates that most people prefer to shop leisurely by themselves, and we have arranged our store to facilitate shopping in this manner. We shall, however, have our store properly staffed with competent sales people trained to give you just the "right" amount of service at the "right" time. In other words, we hope to give you all the benefits of self service shopping and eliminate the evils.

Price Policy of This Store

If you visit our store opening day, we believe you will be impressed by the "value" of our merchandise — and we believe you will be further impressed when we tell you these values are not opening day specials, but every day values featured opening day and every day. We believe you will leave our store with the impression that the value and quality of our line is somewhat above the average carried in this type of store.

Won't you try and drop in for a visit this Friday or Saturday? There will be favors and treats for the kids, and we know you will enjoy seeing our new store.

Come See Jo-Jo, the Clown and Betty Ann

Program Study Set for Parents

Parents of all eighth grade students at grammar schools served by the Acalanes Union High School were invited this week by the high school's counseling staff to registration and programming conferences scheduled for various evenings next week at the grammar schools.

To determine for each prospective student the most advantageous high school program, counselors announced that they will have available for parents and students

not only complete information regarding the high school's facilities, but also a dossier of information gathered by both the grammar and high schools on each student's educational needs and aptitudes.

Schedule for the series of registration conferences is the following: Walnut Creek, Tuesday and Thursday, May 2 and 4; Orinda, Monday, May 9; Lafayette, Tuesday, May 10.

WEEKEND GUEST

Mrs. Don Stegman was the weekend guest of her daughter and son-in-law, Commander and Mrs. George Walker, at their home at the Oakland Airport.

EASTER PARTY

An Easter party was held at the Don Stegman home. Present were Donna and Paul Stegman, and their cousins Van, Dick, and Bob Walker, and Audrey Wager of Berkeley.

WEEKEND GUESTS

Mr. and Mrs. Stanley Hill of Glenside entertained over the weekend. Mr. and Mrs. Clarence Olsen and daughter, Bonnie, from Sacramento.

BIRTHDAY PARTY

Little Dennis Tyler celebrated his sixth birthday on Wednesday afternoon with a party at his home. Present were Danny Neller, Drake Fisher, Nancy Haselop, Candy Carlisle, Kathleen and Michael Walsh, and Ricky Traylor.

Landes Family Returns To Live in Hometown

Herbert W. Landes, son of Mr. and Mrs. Herbert A. Landes of Victoria Drive, has returned to live in Lafayette after an absence of some years.

The Landes have built a home in Sunset Village, and are now living there with their two sons, Larry and Lee. Both Mr. and Mrs. Landes were brought up in Lafayette and went to school here.

Mrs. M. B. McNeely Spends Week in S. F.

Mrs. M. B. McNeely, and baby daughter, Joyce Beverly, spent the week in San Francisco visiting with Mrs. McNeely's parents. Little Joyce enjoyed the visit with her grandparents who showed her the big-city sights and of course the beach and the zoo.

Mr. McNeely is the operator of the Contra Costa Patrol and had to remain home "on duty."

TONSILECTOMY

Jack Leudeman, one of the town's busiest Boy Scouts, had his tonsils out at Children's Hospital in Oakland last Saturday morning.

BIRTHDAY CELEBRATION

The Tacchella residence on Brook Street was the scene of a birthday celebration last Sunday. The honoree was Mrs. Minnie Rogers, Mrs. Tacchella's mother who was the guest of the Tacchella's for the day.

DINNER GUESTS

Mr. and Mrs. Carl Carlsen of Sun Valley were dinner guests at the Mahl home last Thursday evening. All enjoyed an outdoor picnic dinner.

RECUPERATING

James Bond is at home recovering from a stroke suffered some time ago.

SWIMMING CLUB

The Crestview Swimming Club held their official opening of their new pool last Sunday. Present at the barbecue were Messrs. and Mesdames F. Smith, Bob Lockey, L. Niles, Walter Weidens, L. Gudnasen, Ronald Duncan, Earl Creager, C. Hozier, Evan Jeffreys and T. Jeffries.

Kaiser Traveler All Purpose Car

A brand new type of automobile, the Kaiser Traveler, is on display at the Kilbourn Motor Sales, Kaiser-Frazer dealer midway between Lafayette and Walnut Creek.

The six-passenger sedan is especially designed to make camping a pleasure, according to reports, for it has a cargo bed almost 10 feet long which eliminates the need for a tent or trailer.

A double door in the rear permits complete access to the rear compartment and makes the novel sedan serve many purposes as a pick-up van or light delivery unit, according to Kilbourn Motor Sales. Demand for the Traveler is nation-wide and the agency is taking orders on a first-come, first-served basis.

WHOOPIING COUGH

HOW MANY COAST JOBS WERE BORN

Pacific Telephone's construction program has made work for countless thousands and added to the West's postwar prosperity

1. When you see telephone cable on its way to work, you're watching the West benefit in two important ways. It means new voice highways for the West . . . more telephones . . . better service. It also means jobs and paychecks for the men who make the cable, those who install it and, later on, those who maintain it. And putting in new cable is just a small part of our building program.

2. Hundreds of new buildings mean work for carpenters, bricklayers—and work for those who provide the materials. They mean future jobs for telephone people. Since the war, we've put half a billion dollars to work in new construction. Much of it has found its way in ever-widening circles into the economy of practically every city and town in the West.

3. More business for the baker, the druggist, the clothier—telephone construction has given the West a big postwar lift. There's no way, of course, to trace all the jobs created by just one mile of cable . . . or one building. But it would probably be hard to find a family whose income has not benefited, in some way, from the money we've spent to provide more service.

4. It all adds up—this tremendous building program—to a better West for all of us. It is being paid for by thousands of investors who have provided the millions of new working dollars that make the job possible. Result: More telephones . . . better service. Yet a few pennies still buy a telephone call—one of your real values today.

WHEREVER YOU MOVE

Catholic Youth Club Formed

The newly organized Catholic Youth Club of Santa Maria Church parish recently elected officers from its initial membership of 19. The new club which meets the first and third Mondays of each month, at members' homes, has planned future activities which will include participation in Holy Communion at the church once a month.

Father Albert T. Duffy, pastor, is advisor for the club.

First officers to serve for the club are John Twomey, president; Eddy Greub, vice-president; Dodie Bee, secretary; Janet Jansse, social secretary; Bill D'Arezzo, treasurer; Dorothy Bedard, publicity chairman.

Initial membership also includes Don Ambrose, Eddy Ambrose, John Bowron, Laverne Durante, Mike Klement, Vernon Lucas, Norma Nichelmann, Darlene Smith, Jack Stoffel, Geraldine Helfert, Jerry Macauley, John Biasotti and Virginia Findlay.

TO PHOENIX

Mr. Owen of the Orinda Beauty Shop left last week for a two weeks vacation in Phoenix.

'Recovery of Wholeness' Theme for Services

Members will be received and Mrs. Fred H. Blakeney will be special soloist at the Sunday morning worship hour, 11 o'clock, on May 1, in Orinda's Community Church chapel. Mrs. Charles P. Baker will accompany Mrs. Blakeney and play the organ music of the service. "The Recovery of Wholeness" will be Rev. Fred Morrow's subject as he speaks briefly to the new church members.

The Community Church includes a dozen different denominations in its background, and has as its purpose "to unite the Protestant Christians of the community in maintaining an adequate program of worship, education and community service, and in promoting the larger interests of the Kingdom of God here and throughout the world."

The Sunday Church school will offer its weekly program of Christian education in graded classes at 9:30 a.m. High school young people meet at 7 o'clock Sunday evening for worship, recreation and discussion.

ALL AROUND ORINDA

WITH THE ROUNDER

It was a big week for the Orinda ladies. Last week they had their Garden Tour, their Day at the Races, and their Bird Hunt. That Day at the Races was well represented by Orindans, the TED ALMQUISTS, the JACK SNOWS, the TED BECKETTS and FRED BECKNER, among others. Beckner was betting a list of horses selected for him by DOMINIC, the local cab man and handicapper. Fred had about as much luck with Dominic's horses as you have getting Dominic when you want a cab.

AND THAT BIRD HUNT: Seems that a group of Orinda ladies interested in our little feathered friends annually romp over hill and dale equipped with binoculars, peering into bushes and trees boning up on the facts of bird life.

Darned if we know what the ladies found, but if you saw some bewildered looking quail or woodpeckers sitting around shaking their little heads, they were probably some of the feathered creatures who got spied on in the act of being birds.

PEEK A . . .

And while on the subject of ladies — that laundry driver's strike accomplished one thing. Got NELLIE and BERNICE of the Village Pharmacy out of uniform and into some rather eye-appealing garb. They looked all right in the white uniforms of course — but they look a lot nicer in their clothes, their own clothes that is.

But to date neither has been able to turn up in anything as interesting as that peek-a-boo blouse at the Ice Box that caused one customer to stutter, "I came, I saw, I forgot what I ordered."

PLUGS & STUFF

MONA INGLIS was searching all over last week for a pair of ear plugs she had loaned to the Dramateurs. Ear plugs Mona? Does MORT really snore? Or — sudden thought — does Mort wear the plugs?

DICK BOUCHETT, the short haired fireman, is sporting a new Plymouth sedan. An improvement we hasten to add over that animated kiddy-kar he had.

LOVER-BOY

And KEITH FITCH — lover boy in January Thaw — is rapidly developing into a good butcher, and an excellent conversationalist since working for NORM KETSDEVER.

TINY HANSEN, King-sized martini mixer at the Casa, went salmon fishing out the Gate the other day — caught nothing. But neither did he go hunting for the lee side rail, so the trip was a minor success.

LATEST REPORT

Those new checking stands in the Orinda Store — minus turnstiles — look nice, but feminine human nature being what it is, they're an awful bottle-neck. Some lady gathers up a couple of baskets of groceries, plants them on the counter — then vanishes while you and the Rouser stew in line, waiting for the wandering woman's return. What happens ladies? Meet a friend? Or does NORM corner you? Or did HUGHIE move the pepper to a new location?

ORINDANS ARE TALKING ABOUT:

The small crime wave nipped in the bud the other night at the cross-roads when PAUL "I Spy" VASHELL spotted three kids fooling around some parked cars. Got help — gave chase. Kids got caught before anyone's car's parts disappeared. Not local boys.

The former Frank Dutra ranch-hand, out of prison on parole, who recently got himself bounced from a local pub twice in three days, and wound up in Martinez.

DOG WAR BULLETIN
Looks as if the Orinda area has become the last stand of the old West. In those days the cattlemen went out banging away at sheepherders and squatters. Now they take pot shots at Orindans' dogs.

Not nearly as exciting prey, it's true, but apparently a lot safer, because, from what we've gathered, all the cattlemen has to do is shout "cattle-chaser" and the sheriff's office points to a law and the dog owner is all through. We looked up a quote in a recent SUN by Judge Thompson of Wal-

AND FREE LUNCHES

Understand that the Ice Box will expand into a patio ice-cream parlor this summer. With tables and sun-shades and all. Good for the soda-sippers — but how about those who prefer a schooner of brew? How about a beer garden where your parking lot is JACK? With a little German Band going Oompah, Oompah; beer foaming in frosted steins and a flock of pretzels laying around. Oh, and some hard-boiled eggs for the Rouser.

We were a little bit more than startled to hear that ARMANDO, the Willows "Singing Chef," is leaving — and after all these years. Understand he goes to work in Martinez.

YUK, YUK

The laugh of the week happened in HEINIE'S hair trim emporium. BILL BARNES of Moraga arrived for a nice relaxed rest in the chair. Hefted his more than average sized self into it and the thing came apart with a bang. The back of the chair completely collapsed and the arms fell all over the floor. The place looked like an Olson and Johnson production for a while.

Order was eventually restored, but when NATE GRAY came in later for his rest and neck trim — he got the neck trim. But the back of the chair and the arms were still missing and the only rest Nate got was confined to an area from his belt down.

AUTHOR! AUTHOR!

About two years ago ELEANOR SILVERMAN, associate editor of the SUN, sold an article to "American Home" magazine. The Home editors apparently move slowly but surely. Said article appears in the current issue of American Home, page 28.

The Dramateurs Beaux Arts Ball is definitely set for the Lafayette Legion Hall. After a bit of bickering — you can have it here, you can't have it here — approval was granted — plus a \$10 clean-up tax.

HAVANA GIFT

ED DE LAVEAGA recently returned from a South American tour — visited Sloppy Joe's in Havana — brought back a swallow sized jug of rum as a memento of the occasion for FRANK LUIS.

FRANK'S new help — yourself — but — pay — on — the — way — out hardware opens this week-end. And this may kill you — but rumors from several sources say that a mortician will occupy Frank's old headquarters. Hope to die — but that's what we heard.

DOG WAR BULLETIN
Looks as if the Orinda area has become the last stand of the old West. In those days the cattlemen went out banging away at sheepherders and squatters. Now they take pot shots at Orindans' dogs.

Not nearly as exciting prey, it's true, but apparently a lot safer, because, from what we've gathered, all the cattlemen has to do is shout "cattle-chaser" and the sheriff's office points to a law and the dog owner is all through. We looked up a quote in a recent SUN by Judge Thompson of Wal-

nut Creek where-in the Judge stated "Any dogs CAUGHT IN THE ACT of running or harassing sheep or cattle may be legally killed." The caps are ours.

Those three dogs over in Happy Valley weren't chasing anything according to witnesses who say there weren't any cattle in sight. One of them at least wasn't killed on the property of the cattleman who shot it.

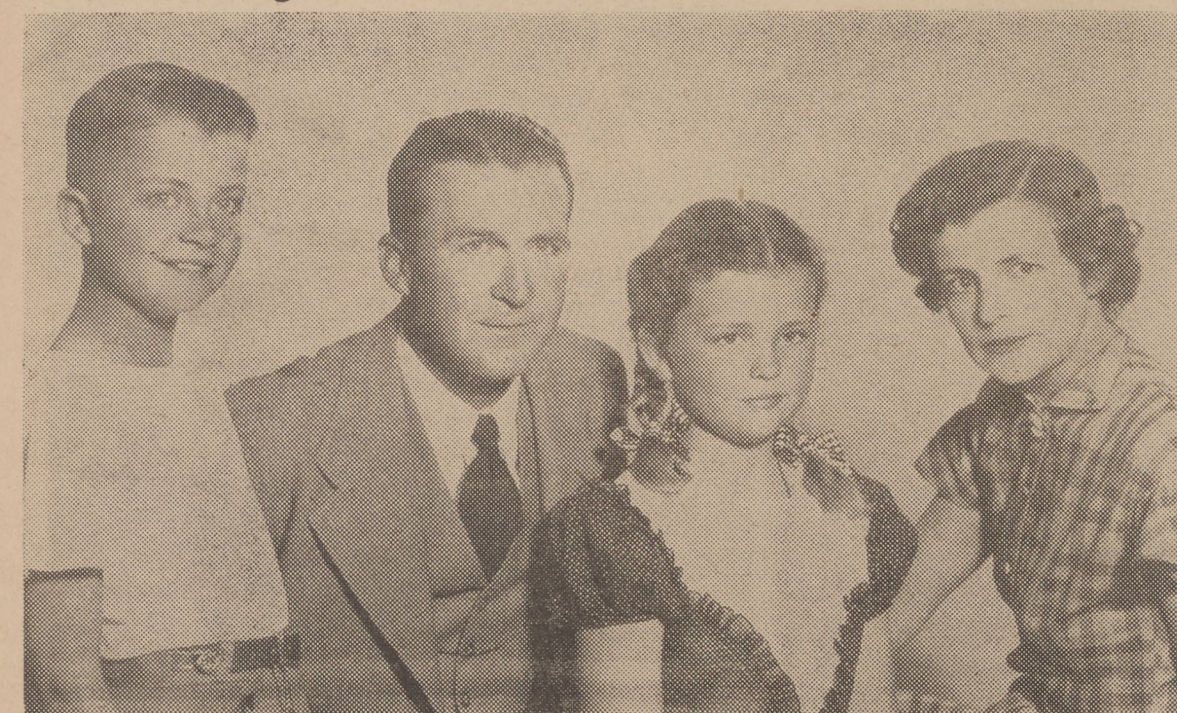

JUST POSSIBLE . . .

Looks to the Rouser as though it were about time for the Sheriff's office to demand a little more than just a ranch-hand's word that a dog was chasing cattle.

Seems as if those "out of town" deputies might check into the possibility — and remember we said possibility — that an oft quoted law is being used for the benefit of one group against another. And it might also be a darned good idea to acquaint the cattlemen in these parts with the fact that this is NO LONGER OPEN RANGE COUNTRY.

It's a settled community and one of those wild shots might kill something a lot more important than either a dog or a steer.

Family Portrait . . .

HERE IS THIS WEEK'S FAMILY PORTRAIT — a happy family from Happy Valley — Mr. and Mrs. Don L. Kesselring, Billy and Joan.

"Children in the Lafayette and Orinda area seem to have so much fun at school and at home. There seems to be a closer relationship between teachers, children and parents than usually exists in a larger community and, families tend more to 'do things together'." was the interesting comment of Mrs. Don Kesselring, who, as president of the Lafayette Parent Teachers' Association, is very much interested in children and their relationship to the family and community.

But first our introduction to the

family—Mr. and Mrs. Don L. Kesselring, Bobby and Joan of Happy Valley.

Tanned, smiling 11½-year-old Bobby and vivacious Joannie, 9½, fully agree that living here is "lots of fun." Bobby participates and is very good in most sports including swimming, basketball and baseball. Joannie is a member of the Cooperative Art Association of Contra Costa County. The Association gives Saturday morning instruction to children selected by their teachers for ability. Incidentally Joannie and Bobby are fourth generation Cal-

ifornians. The first Kesselrings came West in 1850.

Both the Kesselrings are graduates of U. C. Kesselring spent seven interesting years in Latin America after graduation before entering the employ of United States Plywood Corporation as Branch Manager for Northern California.

It is interesting to note how the Kesselrings settled in this area—They drove out on a pleasure trip one week-end and it was so beautiful that they decided "this is it" and purchased their land and built in Happy Valley.

Curtain Calls: Clown Jo-Jo Will Appear

With Jo Jo the clown and his wife as feature attractions, the Saturday show at the Orinda school will attract a record number of people. The star performers were secured through the efforts of Mr. and Mrs. Stanley Allen and Mrs. Robert Harrison, president of Mothers Club.

This Saturday's coming attraction is "Buckskin Frontier" with Richard Dix.

Gerry Gilvan brought his birthday party to help him celebrate but had to depart a little hastily — a little too much ice cream perhaps.

Martin Smith was 8 years old and after lunch at his house brought his friends along to sing Happy Birthday. Among them were Phil Glaberman, Tom Gravatt, Jeff Schwark, Arne Greenings, Cebe Wallace, Peter Telfer, Gary Lucas, Bickey Clifford, Michael Stahle, James Vince and his brothers, Dwight and Bruce.

Carol Brabant who was 11 years old brought 18 of her friends and Scott McFarland was celebrating his 6th birthday.

GARDEN CLUB MEETING

Orinda Garden Club will hold its regular meeting at Orinda Country Club, Thursday, May 5, at 10:30 a.m. Victor Reiter, Jr., will talk of dwarf plants and ground covers. Following the meeting luncheon will be served.

Women's Guild Sections to Meet

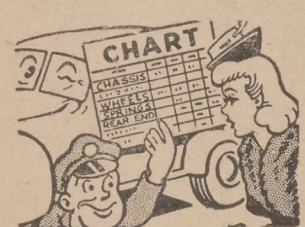

Afternoon section of the Women's Guild will meet on Tuesday at the George Hickok home, 88 El Toyonal. After a dessert served at 12 o'clock and a business meeting the group will hear devotions by Mrs. G. C. Brown, and a garden talk by William Penn Mott, Jr., Supt. of Parks for the city of Oakland.

Assisting Mrs. Hickok are the co-hostesses Mrs. G. C. Brown and Mrs. E. A. Dawson.

The evening section of the Women's Guild will meet May 3, at the Ralph Phelps home, 6 Oak Lane. The devotions will be led by Martha Williams. The speaker, Mrs. Gail Cleland of Berkeley, will speak on Korea. The co-hostesses for the evening will be Ruth Howe, Ruth Twining and Miriam King.

POOL BOARD TO MEET

There will be a meeting of the Park Pool Board on Wednesday evening at the Glen Holtwick home in Orinda. The meeting will begin at 8 o'clock and the opening of the pool will be discussed.
